

Industries, the Agana Restoration and Redevelopment Corporation, the Congressional Hispanic Caucus Institute, Pacific Islanders in Communication, the Young Presidents' Organization and the Financial Services and Information Technology Committee, Saipan.

Tony Leon Guerrero was truly a leader in the business community. Although he was an innovator and consummate entrepreneur, the island spirit in him never changed. Despite his many accomplishments, he was still just "Tony" to those who knew him best. The respect that people felt for him in his professional life was equaled only by the love they felt for him in his personal life. He was dedicated to the island in which he lived and worked. The Bank of Guam is often referred to as "The People's Bank," and Tony was a leader in the business community and a conscience for social activism. He understood that with great talent comes great expectations, and he exceeded the expectations of his father and his business associates as the Bank of Guam grew and prospered under his watch. Tony was an advocate in the community for the revival of pride in the Chamorro culture and the cultures of the indigenous peoples throughout Micronesia. His bank invested in indigenous arts and crafts and the bank's branches are themselves centers for the display of Pacific cultures. As chairman of the board and CEO, Tony ensured that the Bank of Guam lived up to its commitment to our island's development and steered the bank through the difficult years of an economic recession. The bank's solid performance and success is a testament to his business acumen and his vision. The sense of loss in our island and throughout our Pacific region is a testament to a great humanitarian and community leader.

I am deeply saddened by this loss and know that the many people on Guam and throughout the Pacific are mourning as well. My thoughts and prayers are with his mother Eugenia A. Leon Guerrero, his wife Mari Flor Herrero, and his three children, Maria Eugenia, Alexandra and Jesus. My condolences also go to his brother Jesse A. Leon Guerrero and his wife Deirdre, his sister Senator Lou Leon Guerrero and her husband Jeff Cook, their families, and the entire Leon Guerrero extended family. Although he will be missed by his family, friends and business associates throughout the Pacific, his legacy of service will live on in our community.

ON THE RETIREMENT OF MRS.  
CHRISTINE KENNEDY

**HON. DON YOUNG**

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 20, 2005*

Mr. YOUNG of Alaska. Mr. Speaker, I rise today to honor Christine Kennedy, the Administrator and Chief Clerk of the House of Representatives Committee on Transportation and Infrastructure. Mrs. Kennedy has served the House of Representatives with distinction since 1972. Unfortunately, Mrs. Kennedy will be retiring at the end of this year and will be starting a new and I am sure equally rewarding private life. I know that she is looking forward to spending more time with her daughter, Lauren.

I have known Chris since I came to Congress. Chris started her career with the Federal Government in 1972 as a clerk at NASA. She joined the staff of the Committee on Interior and Insular Affairs in 1974 becoming the Administrator and Chief Clerk in 1995 of the Committee on Resources which was the successor Committee to the Committee on Interior and Insular Affairs.

When I moved from the Chairmanship of the Committee on Resources to the Chairmanship of the Committee on Transportation and Infrastructure, I asked Chris to take the position of Administrator and Chief Clerk of the Committee on Transportation and Infrastructure. Thank goodness, she agreed to do so.

Chris is one of those people who often is unheralded and unseen but who is essential to the workings of this institution. She is one of the most organized and efficient people I know. You know that if Chris is on the job, the job will get done and will be done well. She is thorough and has a detailed knowledge of the procedures and processes that keep the Committee operating.

In addition, she is loyal and generous to her colleagues, her friends, and to myself and my wife, Lu. We have relied on her in so many ways over the years to insure that our work with Committee, including the many codels and field hearings conducted by the Committee have been done in full accordance with the Rules.

I want to express to her my deep appreciation for her hard work and for her support of my efforts as Chairman of two Committees. Without her efforts, our Committees would not have a record of accomplishment that is unmatched by any Committee.

I know that I speak for my wife, Lu and for the Members and Staff of the Committee and for the many friends that she has made as a member of this Congressional family in wishing her all the best and many years of happiness in her new life.

She will be missed in so many ways, but we expect that she will continue to be a member of our Congressional family in the years to come. Best wishes to a good friend and an outstanding staff member.

TRIBUTE TO THE 75 YEARS OF  
SERVICE THE DEPARTMENT OF  
VETERANS AFFAIRS HAS PROVIDED

**HON. JIM GIBBONS**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 20, 2005*

Mr. GIBBONS. Mr. Speaker, it is an honor to commemorate the 75 years of service the Department of Veterans Affairs has provided to the servicemen and women of this great Nation.

May we never forget, and continue to honor, those who made a commitment to protecting the security of our Nation by joining the Armed Forces. We owe our veterans a tremendous debt of gratitude for this commitment, and commend the VA for their pledge to ensure that they continue to receive support and assistance.

The men and women of the VA are dedicated each and every day to meeting the needs of the millions of veterans who have defended our Nation's freedom.

Nearly a quarter of a million veterans reside in our great State; a number that continues to grow. The VA ensures that these men and women, who were dedicated to defending our Nation, receive the services they rightly deserve. As a nation, we owe these great Americans a debt of gratitude for their sacrifice for our Nation's freedom and security.

With an ever growing population of veterans, may we always be reminded of Abraham Lincoln's philosophy and principles that guide the Department of Veterans Affairs: "To care for him shall have borne the battle and for his widow and his orphan."

I join in thanking the Department of Veterans Affairs for their continued work and service for 75 years to our Nation's heroes.

May God bless Nevada, America, and our veterans.

RECOGNIZING THREE FALLEN  
SOLDIERS SERVING IN IRAQ

**HON. ELIJAH E. CUMMINGS**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 20, 2005*

Mr. CUMMINGS. Mr. Speaker, I rise today to pay tribute to three fallen American soldiers who sacrificed their lives while serving our country.

On October 14, 2005, while conducting convoy operations in the Al Taji area in Iraq, three Maryland Army National Guardsmen, 20-year-old Specialist Samuel M. Boswell, 23-year-old Specialist Bernard L. Ceo, and 36-year-old Sergeant Brian R. Connor, were tragically killed when their Humvee was accidentally hit and caught fire.

Assigned to the 243rd Engineer Company based in my district of West Baltimore, these remarkable young men had only been stationed in Iraq since mid-August. They were the first Maryland National Guardsman to be killed while serving their country overseas since World War II.

Words cannot express the sense of loss felt by the Maryland community when not one, but three of our own is taken from us in an instant. I offer my deepest condolences to the Boswell, Ceo, and Connor families during their difficult time.

Although each of these brave soldiers took different paths to arrive in the Army, they all shared great intellect, vigor, and a true commitment to serve their country. These attributes coupled with their youth makes it even more difficult to accept each soldier's fate. We all must now face the burden of uncertainty—never knowing what the future would have held for them.

Specialist Samuel Boswell of Elkridge, graduated from the technology magnet program at River Hill High School in Clarksville, Md. in 2003. He was a computer whiz with aspirations of receiving his college degree. However, as the violence in Iraq escalated, Spc. Boswell was compelled to volunteer his service and join the Army shortly after his high school graduation. On the day of his death, Spc. Boswell was on his way to meet his brother Michael, who was a civilian contract worker based in Baghdad. That reunion never took place.

Specialist Bernard Ceo of Baltimore was raised in a military family. His ambition was to
